## VISION FOR RECONCILIATION

At Platinum we envision a future where the whole community unites in the spirit of respect, understanding and mutual support. Our commitment to reconciliation comes from our core belief that all children deserve to grow up in a world that values diversity and promotes a sense of belonging for everyone, especially First Nations children.

We believe that reconciliation is a process. It requires the ongoing commitment of all stakeholders to learn and develop an understanding of Australia's true history including the ongoing heritages and cultures of Aboriginal and Torres Strait Islander peoples.

At Platinum we are committed to growing our own knowledge of Aboriginal and Torres Strait Islander peoples' contributions, perspectives and traditions and, where appropriate and with permission, incorporating these into our daily practice.

We also understand that moving towards a more just and equitable future for all involves more than just admitting the mistakes of the past. In order to do this, we are dedicated to dismantling barriers, addressing the enduring effects of colonialism on First Nations peoples, trying to make connections with First Nations communities, and promoting their right to self-determination and recognition.

## ACKNOWLEDGEMENT OF COUNTRY

**We would like to acknowledge and pay respects to the Traditional Owners of this Land the Gadigal and the Bigijigal peoples. We pay our respect to Elders past, present and emerging.**

Good Morning to the Sun, up in the sky

Good Morning to the Birds, as they fly on by

Good Morning to the Trees, so straight and tall

Good Morning to the Nest, where the possums rest.

Good morning to everyone!

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander People in the Classroom	We are committed to engaging Aboriginal and Torres Strait Islander people in our learning activities. Having Aboriginal and Torres Strait Islander voices in learning environments is vital when teaching about Aboriginal and Torres Strait Islander histories and cultures.
Early Years Learning Framework	We seek out ways to connect our reconciliation vision and plans and Early Years Learning Framework principles, practices and outcomes. Our efforts mean reconciliation is embedded in everyday early learning environments.

RAP ACTIONS	COMMITMENT
Cultural Responsiveness for Staff	Staff are supported to reflect on and build their cultural responsiveness to improve their practice and best support the needs of Aboriginal and Torres Strait Islander students. Staff are provided with a range opportunities to build their knowledge and understanding of their own positionality and Aboriginal and Torres Strait Islander perspectives, contributions and cultures.
Reconciliation Projects	Our early learning service will collaborate on projects that visibly and authentically embed Aboriginal and Torres Strait Islander histories and cultures in learning programs and the physical environment. Through this culture of collaboration across the early learning service and with the community, we commit to creating an environment where young people, staff and community members acknowledge, respect and experience connection to the First Australians.

RAP ACTIONS	COMMITMENT
Welcome to Country	Where appropriate, significant events at our early learning service commence with a Welcome to Country. Protocols for welcoming visitors to Country have been a part of Aboriginal and Torres Strait Islander cultures for thousands of years. By incorporating these protocols into formal events and important occasions, we recognise Aboriginal and Torres Strait Islander peoples as the First Australians and Custodians of their Land.
Celebrate National Reconciliation Week	Our early learning service community celebrates National Reconciliation Week (NRW) which is held from 27 May to 3 June each year by talking about reconciliation in the classroom and around the school, and celebrating with the community. NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.
Build Relationships with Community	We commit to building relationships with our local Aboriginal and Torres Strait Islander community that are built on mutual respect, trust and inclusiveness. We value these relationships and their role in helping to create opportunities for Aboriginal and Torres Strait Islander and non-Indigenous staff, students, children and community members.

RAP ACTIONS	COMMITMENT
Teach about Reconciliation	Our early learning service community is committed to learning about reconciliation in Australia. Having an understanding of the concept, history and progress of reconciliation is an important part of continuing the reconciliation journey. This understanding also helps to strengthen engagement with our early learning service's RAP by positioning it within the broader story of reconciliation in Australia.
Explore Current Affairs and Issues	We are committed to raising awareness of current affairs and issues in the public domain that are of particular significance to Aboriginal and Torres Strait Islander peoples and the process of reconciliation. This will be done through curriculum delivery, policies and procedures, and will be integrated into the ethos of our early learning service.

RAP ACTIONS	COMMITMENT
Acknowledgement of Country	Our early learning service recognises the continuing connection of Aboriginal and Torres Strait Islander peoples to the Country on which we live, work, learn and grow. All staff and students have the opportunity to show respect to Traditional Owners and Custodians by regularly conducting an Acknowledgement of Country at meetings and events throughout the year.
Visibly Demonstrate Respect for Aboriginal and Torres Strait Islander Cultures	We commit to demonstrating our respect for Aboriginal and Torres Strait Islander histories and cultures in the physical environment of our early learning service. We understand that making our respect visible in the learning environment through the incorporation of meaningful, relevant and culturally appropriate art, artefacts and symbolism reinforces our work toward reconciliation. It also makes our intentions and actions clear to our students, parents and the broader community.

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander Flags	Our early learning service flies or displays the Aboriginal and Torres Strait Islander flags as a demonstration of our pride and respect for the histories, cultures and contributions of Australia's First Peoples. Flying or displaying the flags promotes a sense of community partnership and a commitment toward reconciliation.
Take Action Against Racism	Racism can have serious negative consequences for the people who experience it, for those who witness it, and for wider society. When racism is properly understood it is easier to overcome. We commit to building awareness of what racism is, the impacts of racism and how to respond effectively when it occurs through an anti-racism strategy tailored to the needs of our early learning service.

RAP ACTIONS	COMMITMENT
Curriculum Planning	Embedding Aboriginal and Torres Strait Islander histories and cultures in curriculum planning, development and evaluation processes is a key and ongoing consideration across all year levels and learning areas. Curriculum documents have or will be audited to identify the extent to which Aboriginal and Torres Strait Islander histories, cultures and contributions are already embedded, and to identify opportunities for strengthening the representation of this content in the curriculum.

RAP ACTIONS	COMMITMENT
Inclusive Policies	All staff in our early learning service are aware of policies that refer specifically to improving educational outcomes for Aboriginal and Torres Strait Islander people and increasing knowledge of, and respect for, Aboriginal and Torres Strait Islander histories and cultures in Australia. We have a plan in place to ensure all staff comply with these policies in their daily practice. Our internal policies have been, or will be, amended to ensure they are also inclusive of Aboriginal and Torres Strait Islander peoples and increase knowledge of Aboriginal and Torres Strait Islander histories and cultures in Australia.
Staff Engagement with RAP	Commitment to the Reconciliation Action Plan (RAP) from all staff is essential for developing a RAP that is implemented in a meaningful and sustainable way. All staff will be involved in the ongoing development and implementation of our RAP through staff development opportunities facilitated by the RAP Working Group.
RAP Budget Allocation	We have set aside dedicated funds from within our budget to procure relevant goods and services that strengthen the sustainability of our RAP Actions. Staff are aware that it is important to consider remuneration for people who have been involved in RAP initiatives out of respect for the time and resources that they have contributed.

RAP ACTIONS	COMMITMENT
National Quality Standard	We commit to ensuring that our engagement with the National Quality Standard involves the inclusion of Aboriginal and Torres Strait Islander histories, cultures and contributions in our daily practice and programming, as well as authentic and meaningful engagement with the local Aboriginal and Torres Strait Islander community.

RAP ACTIONS	COMMITMENT
Celebrate RAP Progress	We are committed to reflecting on the progress made in the growth of knowledge and pride in Aboriginal and Torres Strait Islander histories, cultures and contributions in our early learning service. We will track the progress of our RAP, continually revisit our commitments, and celebrate our achievements, while generating new ideas to develop and sustain our RAP into the future.
Support Aboriginal and Torres Strait Islander Owned Businesses	We promote supplier diversity and support Aboriginal and Torres Strait Islander owned businesses and their employees through the procurement of goods and services related to our RAP, as well as our general business. We maintain a list of local, regional, state-based and national Aboriginal and Torres Strait Islander owned businesses to accompany procurement policies and procedures.
Aboriginal and Torres Strait Islander Languages	We commit to providing students and children with a deeper knowledge and understanding of Aboriginal and Torres Strait Islander cultures and identities by learning about Aboriginal and Torres Strait Islander languages. We acknowledge the importance of language maintenance and revitalisation efforts and will provide students and children with opportunities to learn - or learn about - the First Language of their local area.
